Guidelines for the Partnership Agreement

VERSION 01: 15 DECEMBER 2015

INTRODUCTION

The following document aims to assist Erasmus+ Capacity Building projects in the field of Higher Education in preparing their Partnership Agreement(s). The examples of provisions / articles provided do not reflect any official position / recommendation. The Executive Agency cannot be held responsible for any use that may be made of the information contained herein.

Please note that a Partnership Agreement is a commitment complementary to the Grant Agreement signed with the Executive Agency and to the mandates signed by each beneficiary.

As mentioned under Article I.10.5 of the Grant Agreement, the beneficiaries are required to lay down the detailed provisions for their relations and for the implementation of the project. These provisions shall be formalised in a Partnership Agreement to be signed by the coordinating institution and the beneficiaries. A copy of the Partnership Agreement(s) must be provided to the Executive Agency within 6 months of the signature of the Grant Agreement.

The Partnership Agreement can either be multilateral (i.e. single agreement signed by the coordinator and all the other beneficiary organisations) or bilateral (i.e. a different agreement signed between the coordinator and each beneficiary organisation) and should be drafted in the working communication language of the Partnership.

Provisions of the Partnership Agreement(s) may be differentiated according to the special needs/requirements of each beneficiary, provided that transparency is ensured within the partnership.

The objective of the Partnership Agreement is to ensure that:

- the provisions for project implementation and for interactions between beneficiaries are clearly agreed and communicated to all partners;
- the relevant authorities of the participating organisations agree on its implementation aspects from an academic, administrative, legal and financial point of view;
- potential disputes/misunderstandings between participating organisations are avoided and/or resolved through the dispositions contained in the Partnership Agreement.

In particular, the Partnership Agreement should provide a comprehensive description of:

- beneficiaries' rights and obligations within the framework of the project and the Grant Agreement;
- beneficiaries' role and responsibilities in carrying out the work programme;
- management and governance modalities;
- financial management and related rules, in particular for what concerns:
 - the budget structure (co-financing, breakdown of budget per activity and beneficiary, modalities of transfer of funds, etc.);
 - remuneration policy for staff;
 - payment modalities (reimbursement for travels and costs of stay, etc.);
- reporting mechanisms;
- conflict management mechanisms in case of problems or tasks/activities not properly implemented;
- communication strategy (project website, promotional material and its dissemination, dissemination and exploitation plan);

Financing the action

4.1 The maximum Erasmus+ grant contribution to the project for the contractual period covered by the Grant Agreement amounts to **EUR 886.231,00** and shall take the form as stipulated in Annex III of the Grant Agreement.

4.2 The Erasmus+ grant contribution is awarded to the partnership under the form of:

- a "*reimbursement of actual costs*" for Equipment and Subcontracting costs
- a "*unit contribution*" to the costs incurred for Staff costs, Travel costs and costs of Stay

4.3 The grant contribution to the project is intended to cover only part of the costs actually incurred by the beneficiaries in carrying out the activities foreseen. The beneficiaries commit to provide additional resources to the project so as to ensure its full implementation in accordance with the Grant Agreement.

4.4 Full details of the estimated budget breakdown per funding source, beneficiary and budget category is given in Annex I of this Agreement.

Article 5
Payment arrangements

5.1 The coordinator will transfer the part of the Erasmus+ grant contribution corresponding to each individual beneficiary using the accounts stipulated in Annex V of this Agreement.

5.2 The transfer of the Erasmus+ grant contribution to individual beneficiaries will be implemented in accordance with the following timetable and procedure:

Payment(s) in advance

The coordinator will transfer to the respective account of each beneficiary in advance of the actual activities (/expenditures) a part of the estimated Erasmus+ grant contribution identified under Annex I of this Agreement, in the following way :

5.2.1 First payment of 15.276,00 € of the estimated Erasmus + grant contribution at the time of signature of the Grant Agreement, see breakdown in following table :

P4 UNIVERSITÀ DEGLI STUDI DI TORINO, Italy	
Travel costs and costs of stay	4.935,00 €
Staff costs	11.083,00 €
Kick-off meeting advance (to be deduced)	742,00 €
Total to transfer	15.276,00 €

5.2.2 Further advance payments of the estimated Erasmus+ grant contribution dedicated to travel and costs of stay will be made minimum 30 days prior to any trips that are linked to the Satelit project on the condition that the requested proofs of expenditure/activity concerning previous trips already made have been transferred to the project coordinator.

5.2.3 Providing that the requested proofs of actual days worked on the project have been transferred to the project coordinator in accordance with the time-frame set out in the Satellit project (see Annex III), a further advance payment of 40% of the estimated Erasmus+ grant contribution dedicated to staff costs will be made when the coordinator has received the second pre-financing payment from the EACEA.

5.2.4 The second pre-financing payment from the EACEA can only be requested once 70% of the first pre-financing payment has been spent and proven by the partnership. Thus, article 5.2.2 and 5.2.3 will apply on the condition that the beneficiary has provided supporting documents to prove that 70% of the funds they have received from the coordinator has been spent in order for the coordinator to make the second pre-financing payment request.

5.3 Beneficiaries are obliged to use the Erasmus+ grant contribution exclusively for the purposes defined by the project, and in accordance with the terms and provisions of the present Agreement and the Grant Agreement and its annexes. Erasmus+ grant amounts received in advance and not used by the beneficiaries will be reimbursed to the coordinator at the latest 30 days after the end of the project's contractual period.

5.4 If there is a difference between the amount of the Erasmus+ grant contribution actually used by the partnership and the amount of expenditure declared eligible by the Executive Agency at the end of the project, the following procedure will apply:

1) the beneficiary responsible for the expenditure declared ineligible will reimburse the corresponding amount to the coordinator.

2) the beneficiary commit to take in charge a percentage of the ineligible amount(s) corresponding to their share of the Erasmus+ grant and will reimburse it to the coordinator.

5.5 The costs of financial transfers shall be borne as following:

- The costs of dispatch/receipt charged by the bank will be borne by the party receiving the transfer.
- Costs of repeated transfers caused by one of the parties will be borne by the party responsible.

Article 6 Reporting

6.1 The coordinator is responsible for submitting in due time to the Executive Agency all reports and financial statements as required in the Grant Agreement. For this purpose and in a timely manner, the beneficiaries commit to provide the coordinator with all necessary information and, if applicable, copies of supporting documents needed for drawing up reports, financial statements and any other documents required in the Grant Agreement.

6.2 The coordinator shall provide the beneficiaries with the appropriate reporting forms for the declaration of expenses/activities and the respective instructions for their completion. These reports must be drawn up in EURO.

6.3 The beneficiaries shall keep a record of any expenditure/activity incurred under the project and all proofs and related documents for a period of 5 years after the payment of the final balance under the Grant Agreement. The coordinator may reject any item which cannot be justified in accordance with the rules set out by the Executive Agency in the Grant Agreement and in the Guidelines for the Use of the Grant.

Article 7

Budgetary and financial management

7.1 The Erasmus+ grant contribution to the project's staff costs, travel costs and costs of stay will be calculated on the basis of "unit contributions" whose individual amounts are specified in the Erasmus+ Programme Guide, in the Guidelines for the Use of the Grant and in the Guidelines for the Special Mobility Strand (when applicable).

7.2 For the implementation of the project and the beneficiary's reimbursement of costs incurred in terms of staff, travel and costs of stay, the partnership will

- apply the unit costs amounts defined in the Erasmus+ Programme Guide and in the Guidelines for the Use of the Grant. In the event that real costs are higher than unit costs allocated, the beneficiary will use co-financing.

7.3 The Erasmus+ grant contribution to the project's equipment and subcontracting costs will be based on the justification of the costs actually incurred. This justification will take the form of the support documentation specified in the relevant section of the Guidelines for the Use of the Grant.

7.4 The beneficiaries confirm that they respect the social and labour legislation of their country regarding the costs of staff contributing to the project.
