Glimpses of Cell Biology

A workshop on advanced molecular and cellular approaches
to look at cell processes with unprecedented power

22 - 23 September 2014
09.00 | 17.30

Dip. Scienze della Vita e Biologia dei Sistemi

Aula Magna

Viale Mattioli 25

Torino

September 22

Herman Spaik | University of Leiden, NL

Knud Jensen | University of Copenhagen, DK

Ton Bisseling | University of Wageningen

September 23

Jens Tilsner | University of Sant Andrews, UK

Giorgio Volpi | University of Turin, IT

Federico Luzzati | University of Turin, IT
