Dear Paola De Bernard

Thank you for your application to the membership of CIRCUL-A-BILITY, COST ACTION 19124. Based on your experience and background, on behalf of all my colleagues, I would like to welcome as a MEMBER of the Action.

You will be invited to the management committee only if you are nominated as a member or substitute of the committee, and you will be then eligible for reimbursement of travel (this depending on availability of funding).

As a member you are eligible to host or apply for a short term scientific mission, to participate in all the scientific, networking, teaching and communication activities organized by the working groups, and to volunteer or lead initiatives related to the objectives of the action.

We are looking forward to networking with you and we want to thank you again for keen interest in the Action. Please check our web site, www.circul-a-bility.org for updates.

Sincerely,

Milena Corredig and Giancarlo Colelli

Chair and Vice Chair of Circul-a-bility
